Car Description

This first Porsche 965 Turbo 3.3 Coupé was presented to the world public for the first time at the Geneva Motor Show in Switzerland in 1990. This Turbo was created based on a 964 Carrera 2, was built entirely in the factory as a prototype and presented as the first Turbo. The factory was completed in November 1989. The units and equipment of the vehicle are analogous to the birth certificate. The vehicle is offered with a new TÜV / AU and a current Classic Data report.
