Car Description

This 930 3.0 Turbo in Arrowblue is not only the presentation car of Porsche AG in 1974/75 and the 11th 930 built, but was also a successful racing vehicle at Le Mans in 1978 with the current Le Mans Classic nomination.

The engine and transmission have been completely overhauled using many new parts according to the original specifications and have the same numbers as the delivery units.

The oil cooling system including the oil tank are new.

All other add-on parts of the vehicle such as the chassis, braking system, electrical system, fuel system, rims and interior are new or revised to new condition.

We hand over the vehicle with a current TÜV / AU certificate and a Classic Data report of grade 1.
