Car Description 

This original Porsche 964 factory turbo look Speedster is one of just 14 vehicles produced worldwide. The first delivery was on October 29th, 1993 in the Porsche Center Recklinghausen, this unique Speedster has been in the first hand to this day and traveled from Recklinghausen via Sylt to Monaco. The complete history from 1993 to today is available from the purchase invoice to the TÜV report from Monaco, which also proves the mileage of 58,656 km.

The Speedster was ordered in the classic color combination of polar silver metallic with a black leather interior with dark root wood applications.

The black leather interior is in an absolutely original and new condition, as is the paintwork.

The vehicle is completely serviced and tested in our workshop and offered including a new TÜV / AU and a current appraisal.
