Car Description

This original Porsche 1989 911 3.2 liter convertible is in complete original condition.

The original color of the vehicle is satin black metallic 99, a complete leather interior in black, the hood color is also black ex works. The vehicle was delivered to Tölke and Fischer in the Porsche Center Krefeld in 06/1989 and there have been a number of invoices since then.

The mileage is understandable, since the vehicle comes from a 3rd owner. The 911 stands on 6 + 8 16" Fuchs rims with new tires. The entire interior is leather-covered as a special option, a rare outside thermometer is installed.

The vehicle is being offered as a complete restoration and will be run in by us for 500 km after the restoration.

The current delivery dates are analogous to the birth certificate.
