Car Description

This Porsche 914/6 Targa was rebuilt in our workshop as new.

A safety cage and GT extensions were made of steel and are firmly attached to the body.

The vehicle was delivered in Germany in 1969 and the complete vehicle history is available and the vehicle data is supported by the present birth certificate.

A Classic Data report is available for the vehicle.

The vehicle is painted in Conda green and has a black interior with contemporary sports seats.

The engine, type 930/02 and the gearbox have been completely revised using many new parts with sport specifications, the gearbox has been converted to the 916 and adapted to the performance of the engine.

All other add-on parts of the vehicle such as the chassis, brakes, oil and fuel systems, electrics, rims and interior are new or revised to new condition.

The vehicle has the standard of a new vehicle.
