Car Description

This original Porsche 3.2 liter Speedster was completely restored by Early911S after the vehicle had been converted by the Strossek company to a 964 stand in earlier years.

The vehicle was completely rebuilt in our workshop, the top and the tires were replaced.

The vehicle has a black leather interior with sports seats.

The original color of the vehicle is Mexico Blue 336.

The current delivery dates are analogous to the birth certificate.

The vehicle has the latest TÜV / AU and a classic data report of grade 1 is available for the vehicle.

The engine and the gearbox have been completely revised using many new parts according to the original specification and have the same numbers as the delivery units.

The oil cooling system including the oil tank are new.

All other add-on parts of the vehicle such as chassis, brake system, electrics, gasoline system, rims and interior are new or have been revised to new condition.
