Car Description 

This Porsche 993 3.6 GT2 coupe was delivered in June 1995 at the Porsche factory, it was ordered in the unique special color signal white on the outside and with black professional shells on the inside.

The 993 GT2 comes from the first owner and the history is completely traceable with 3,200 km. The GT2 has been in storage since 2005, after which it was completely revised in our workshop, including the engine, chassis, rims and tires, and major maintenance.

The vehicle is offered with a new TÜV/AU and a current valuation report with a grade of 1.
